Subject Mascot site visit

Mr. Wallace-

I'm writing to coordinate a visit to the Mascot properties on Tuesday Dec. 2. As you've learned from Erika Zimmerman at DOJ, we will be visiting the Nabob properties on the same day and appreciate your ability to show us around then.

Our current plan is to meet with Nabob's rep in Pinehurst at around 10:00 am and then head up to the mill site and then up to mid-level. I'm not exactly sure how long it will take us to see what we need to see, but I'm estimating something on the order of 2 hours or so. Given that estimate, perhaps we could meet sometime around noon. I'm not sure where best to meet. Perhaps you have a location to suggest.

For your information, I will be accompanied by another EPA employee Grechen Schmidt and David Fortier of the BLM.

If you think it would be easier to coordinate this over the phone, please feel free to call me at the number below or send along a number that I can call you at.

Thanks.
